How to Calculate Tuition - 5-week program

1. Across the top, locate the number of family members taking classes
2. Along the left, locate the total number of class hours being taken by everyone in the family.
3. Find your payment by locating the number below your family count and beside your hour count

-Tuition is based on the entire five week session and is due at the time of registration

-There is no registration fee associated with summer - your entire fee is the one time tuition payment at the right

- For those students in both 5-week and 8-week classes, see the academy office in order to ensure you receive you full multi-class discount
